From the President's Pen...

Dear Friends,

Greetings from IMA-Mumbai West.

"I would rather have questions that can't be answered than answers that can't be questioned."

- Richard Feynman

This is so much true in reality and especially with respect to our clinical practice. Hence, we at IMA – Mumbai West also strive to deliver you all a bouquet of academic feast throughout the year to keep you updated. My earnest request to each and every member to take the advantage of it by attending these scientific programs in large number so as to encourage the organisers and the sponsors of the events.

As you are aware that our branch building is taking up a new look & the renovation work, including beautification, is in the last stage & you will witness a totally new premises and the office. This was possible only due to the joint efforts by the office bearers, trust board members & the building committee chairman. All of them have given their best to give our building a facelift in an economical way. We would be seeing a lot more activities in these renovated halls.

We have continued our social activities in various forms, such as Aao Gaon Chale project, blood donation drive, member's welfare activities etc. Our branch is also having active participation at IMA Maharashtra State, including hosting various state meetings. Our activities have

been appreciated by IMA-HQ & hence, our branch members get the special Doctor's Day award most of the times; such as Dr Deepak Jumanigot this year.

As the festive season is about to begin, so also the monsoon related illnesses. Let us remain proactive for early detection & treatment of such conditions. However, I would stress on prevention of these diseases by taking proper care such as avoiding mosquito breeding areas, maintaining a good hygiene & taking vaccines, as may be applicable, because "Chance depends on circumstances, but choice depends on our attitude."

Finally, I would end with a beautiful quote. "If we have a strong purpose in life, we need not to be pushed. Our passion will drive us there."

Jai Hind.

Long live IMA.

PROF. DR. KETAN K. MEHTA
President

From Hon. Secretary's Desk...

Dear friends,

**"Alone we can do so little,
together we can do so much".**

- Helen Keller

At IMA Mumbai West, we may have different points of view but we always remember that we have much more in common than there is dividing us, here, the common factor is the Welfare of Indian Medical Association and its members.

In the midst of incessant rains in most of July, we have had interesting academic and administrative activities at our branch.

On the academic front, we haven't let rains come in the way of some excellent academic sessions in the month gone by. The scientific team is working continuously to upgrade the medical knowledge of our members.

On the administrative front, IMA Mumbai West has been host to IMA Maharashtra State meetings, for the Constitution Committee and the Election Committee. It has been a moment of pride and a learning experience too, having members from all over Maharashtra grace our branch for important meetings.

Continuing in the same vein, we will be hosting the 2nd State Executive Meeting of IMA Maharashtra State (2023-2024) next month, on 11th August.

Our other subcommittees have been active too. We had the Aao Gaon Chalen visit to our adopted village on 7th July. As always, it is both a humbling and exhilarating experience to see what persistence at improvement and education of children can do in a tribal community. We are grateful to Hari Aum Trust for collaborating with us in this noble venture.

We had a fantastic program on Anti aging hacks by the Women Doctors Wing and Members Welfare subcommittees that saw a record attendance for a Saturday program amidst lucid and moot talks by esteemed speakers.

Friends, the building subcommittee is working very hard and will deliver to us our IMA Mumbai West building with all work completed shortly and it will be the cynosure of all eyes. Do make use of the 50% discount for members and arrange your personal/family functions here.

The IMA HQ Fluquadri vaccine program is very popular and we will be hosting a camp on 22nd August at our branch. Please register if you want to take the Flu shot at the branch.

An earnest request to donate for the IMA HQ legal fund to file a petition in the Hon. Supreme Court in favour of abolishing CPA for doctors.

We have a lot of interesting programs in store for you over the next few months. In August, we have CMEs both at our branch and some collaborations for our members to attend scientific programs outside the branch too.

It takes a lot of effort to organise all the events and I would like to thank each and everyone who has and who will be contributing towards achieving them. May their tribe increase.

Long live IMA

DR. RASHMI MEHTA

Hon. Secretary, IMA MW

AAO GAON CHALEN

REPORT : AAO GAON CHALEN

The second visit of the year under the Aao Gaon Chalen project was organised by IMA Mumbai West on Sunday, 7th July, 2024 at Village Borgaon Khurd, Khalapur Taluka, near Karjat. In partnership with Hari Aum Trust, a group of philanthropists, IMA Mumbai West conducted the following activities:

1. Health Check up of about 530 school students. They were screened for illnesses by their teachers and brought for check up;
2. Apart from General check up, Dental and Eye check up was done for children with those complaints;
3. ENT check up for selected students;
4. Packed lunch boxes were given for 3058 school children from 51 schools in the area with mainly tribal population;
5. School bags for all children;
6. Notebooks for all children;
7. Rainy sandals for all school children;
8. Planting of 2 Ashoka trees in the school compound.

We are grateful for the following doctors and volunteers who attended the camp:

IMA Mumbai West members:

Dr Akil Contractor, Dr Razia Contractor Dr Subash Gajria, Dr Rashmi Mehta, Dr Bimal Shah, Dr Ajay Hariani, Dr Varsha Hariani, Dr K B Joshi, Dr Renu Budhwani, Dr Hansa Bheda, Dr Charulata Dudhaney.

Special thanks to IMA JDN members: Interns Dr Zeeshan and Dr Tushar.

Dental team consisting of

Doctors: Dr. Riya Shah, Dr. Shukra Paralkar,

Dr. Kahkashan Kadri, Dr. Sagarika Raghuvanshi. Dental Assistants: Sejal Mallah, Bhavna Parmar, Sakshi Kharat.

Ophthalmology team: Dr Mansi Lulla and Optometrist Yasi

Volunteers: Raja Sawant,

IMA Mumbai West staff: Sandeep Bhadwalkar

We felicitated our JDN members for joining us for the camp.

AAO GAON CHALEN

Invitation to Participate in the IMA AMR Smart Hospital Certification Initiative

We are excited to announce the launch of the "IMA - Antimicrobial Resistance (AMR) SMART Hospital" Certification Initiative. This initiative is an integral part of our ongoing efforts to enhance healthcare standards across the country by fostering robust Antimicrobial Stewardship and Infection Prevention & Control practices.

The IMA AMR Smart Hospital initiative is designed to guide and support hospitals and nursing homes in implementing critical AMR interventions. Through dedicated mentoring and supportive supervision, participating institutions will be assisted in meeting the stringent standards required for certification. Upon successful implementation and a final review, the hospitals will be awarded the prestigious "IMA AMR Smart Hospital" certificate, signifying their commitment and compliance with essential health standards.

We invite all local branches of IMA to actively encourage your members to participate in this transformative project, by circulating this Google form (<https://forms.gle/iiS8zREg5gVaWQw57>). Engaging in this initiative will not only elevate the quality of healthcare provided but also position your branch as a leader in the National effort to combat antimicrobial resistance.

For any queries regarding the initiative, please feel free to contact:

1. **Dr. Narendra Saini**, Chairman, IMA Standing Committee for AMR at drnsaini@yahoo.co.in
2. **Dr. Venkatesh Karthikeyan**, Convenor, IMA Standing Committee for AMR at 4852012@gmail.com

REPORT - MULTI-SPECIALITY CONFERENCE

IMA Mumbai West had organised a unique **"MULTI SPECIALITY CONFERENCE"** on **SUNDAY, 21ST JULY, 2024**. A trio of Ophthalmology talks on Anterior Chamber, Posterior Chamber and Newer Treatment for Retinal Disorders was delivered by:

- **DR. VAISHAL KENIA**, famous Ophthalmologist from the Western Suburbs shared his experience on "Low Energy Femto Laser and its Application";
- **DR. SIDDHI HAJARI** young Vitreoretinal Ophthalmologist spoke on "Vabysmo- A Game Changer for Retinal Disorder";
- **DR. SNEHA MARU** explained in a very lucid manner about "Corneal, Lamellar and Stem Cell Transplants";

Other interesting and informative talks were delivered by eminent doctor speakers as follows:

- **DR CHINTAN VYAS**, Haemato-oncologist spoke on indication for "Hemopoetic Stem Cell Transplant" in paediatrics;
- **DR GIRISH SONI**, Neuro-physician talked about "Red flags in Vertigo" and
- **DR MADHUR MAHESHWARI** gave a clear and concise roadmap on "Approach to Thyroid Disorders".
- The last talk was on "Type 1 Diabetes - What every physician should know" by **DR.PURVI CHAWLA**, renowned Diabetologist.

Despite the heavy rains, 98 delegates attended.

The program concluded with vote of thanks and lucky draw. Delegate gifts were given to all. Delicious lunch followed.

MULTI-SPECIALITY CONFERENCE

REPORT : ANTI AGING HACKS PROGRAM

Dear Friends,

On Saturday, 27th July, the Members Welfare Committee, Women Doctors Wing with the support of Dr Akil Contractor, Dr Rashmi Mehta and Dr Renu Budhwani, organised a unique and interesting programme on 'ANTI AGING HACKS'. It was well attended by 95 delegates.

The programme was kick started by Hon. Secretary Dr Rashmi Mehta who then handed over the moderation of the session to Chairperson of Women Doctors Wing, Dr. Bhavika Hotchandani.

The first speaker, Dermatologist Dr Karishma Balani (Introduced by Dr. Bimal Shah), enlightened the audience with the knowledge of basic skin care, which must be followed daily as a routine, explained various procedures, non invasive, minimally invasive and invasive. She brought home the point of the impact of the right treatment on the patient.

The next talk on aging gracefully was by the Dynamic Dr. Arvind Ghongane Sir, who was introduced by Dr Akil Contractor. Dr Ghongane's talk was practical and impactful with simple Life style management solutions.

He shared insights on diet, exercise, neurobics and sarcopenia with comprehensive take home messages of Eat wisely, slow breathing, simple exercise, good sleep, learn daily, social connects, hydration, avoiding bad habits, daily gratitude and new challenges.

The third speaker Mr. Luv Shah, (introduced by Dr Rashmi Chopra) shared powerful financial insights on Rejuvenating Finances, importance of debt, equity and answered queries on investment, taxes and indexations.

The session end with the vote of thanks by Dr. Bhavika and lucky draws followed by discussions over a cup of tea.

Warm Regards,

DR. BHAVIKA HOTCHANDANI

Chairperson-

Women Doctors Wing - IMA MW

ANTI AGING HACKS PROGRAM

REPORT : MISSION PINK HEALTH

On Friday, 5th July, IMA Mumbai West conducted 3 sessions of Mission Pink Health at St. Lawrence School, Santacruz West.

SCIENTIFIC HIGHLIGHTS

Screening of Diabetes Complications

- Screening for Coronary Heart Disease
- Screening for Retinopathy
- Screening for Neuropathy
- Screening for Nephropathy

Liver Disease in People with Diabetes

- Should We Screen for Metabolic (Non-Alcoholic) Liver Disease?
- State-of-the-Art in the Classification and Diagnosis of Metabolic Liver Disease
- State-of-the-Art in the Treatment of Metabolic Liver Disease

Diabetic Foot

- How to Identify the Foot at Risk?
- How to Classify a Diabetic Foot Ulcer?
- What to do and Not to do with a Diabetic Ulcer in Primary Care

Peripheral Neuropathy

- Screening for Peripheral Neuropathy in Pre-Diabetes and the Metabolic Syndrome
- Diagnosis of Peripheral Neuropathy in Primary Care
- State-of-the-Art in the Management of Peripheral Neuropathy
- When to Suspect Other Causes of Peripheral Neuropathy

Autonomic Neuropathy

- Should we Screen for Cardiovascular Autonomic Neuropathy?
- How to Identify Urinary Autonomic Neuropathy and Prevent its Complications?
- How to Identify and Treat Gastrointestinal Autonomic Neuropathy?
- Is the Treatment with Inhibitors of the Phosphodiesterase Type 5 (PDE5) Enough to Diagnose and Treat Erectile Dysfunction in People with Diabetes?

Prevention of Type 2 Diabetes

- How to Elaborate and/or Validate Risk Scores for Diabetes and Cardiovascular Complications
- Benefits and Risks of Preventing Type 2 Diabetes with Medications
- How Effective are Lifestyle Changes in the Prevention of Type 2 Diabetes: Trials

Adherence to Type 2 Diabetes Treatment to Prevent Complications

- How to Avoid Inertia in the Treatment with Non-Insulin Glucose Lowering Drugs?
- How to Avoid Inertia in the Treatment with Insulin?
- How to Avoid Inertia in the Treatment of Obesity?

Heart Failure in People with Diabetes

- Should We Screen for Heart Failure in All People with Diabetes?
- How Can We Prevent Heart Failure in People with Diabetes?
- State-of-the-Art in the Treatment of Heart Failure

Blood Glucose Monitoring

- When is Self-Monitoring of Blood Glucose Mandatory in Type 2 Diabetes?
- Advantages and Disadvantages of Continuous Blood Glucose monitoring in Type 2 Diabetes
- When is Continuous Blood Glucose Monitoring Mandatory in Type 1 Diabetes?

Hypoglycemia

- When are People with Type 2 Diabetes at Risk of Hypoglycemia?
- How Can We Prevent Hypoglycemia in Primary Care?
- What is Hypoglycemia Unawareness and How to Manage it?

Insulin Treatment

- NPH and Regular Human Insulins: No Longer Needed?
- Basal Insulin Analogues: Which and How to Use them in Type 2 Diabetes?
- Rapid Acting Insulin Analogues: When and How to Use them in Type 2 Diabetes?
- Pump v/s Basal-Bolus in Type 1 Diabetes: Advantages and Disadvantages

Diabetic Eye Disease

- State-of-the-Art in the Treatment of Retinopathy
- State-of-the-Art in the Treatment of Macular Oedema
- Other Eye complications in People with Diabetes

AID & Insulin Pump Workshop

- Automated Insulin Delivery and Insulin Pump workshop

CID 2.0

New Delhi

To,
All the State Branches of IMA
All the Local Branches of IMA

Dear Doctors,

Greetings from Indian Medical Association HQs.!

This letter is to update you on the action taken by IMA HQs. regarding CPA.

- On 14th May 2024 to 2 members SC Bench declared that advocates as professionals are not liable under CPA. The same bench recommended to the Chief Justice that following the same reasoning doctors were also eligible for exemption from CPA as a profession. Hence, the 1993 IMA vs V P Shanta Case may be reviewed by an appropriate bench.
- Then followed a long Supreme Court vacation. In the meantime, IMA HQs. sought legal opinion. We have been advised that IMA could file a review petition before the Chief Justice of India in this regard. They also opined that the normal process of forwarding from the 2 member SC Bench would take its own time. It is the pleasure of the Chief Justice to accept the recommendation or reject. Hence, it will be appropriate for IMA to file an affidavit and engage a senior learned advocate for oral mention before the Chief Justice of India.
- We have considered this legal opinion and have reflected on it. The advice of Past National Presidents was also sought. The Speciality organisations were sensitized in a Zoom meeting and with individual communications. A meeting of FOMA (Federation of Medical Association) led by IMA is being called on 04/08/2024 (Sunday) at IMA HQs, New Delhi. Individual Speciality organisations are being approached through IMA leaders of that Speciality. Major Speciality associations have evinced interest and have promised to work with IMA on this important legal battle.
- The original case of IMA was led by Senior Advocate Mr. Harish Salve in 1983. It has been tentatively decided to approach him (who lives in United Kingdom) if he would be able to accept our case. Our advocate on record Mr. Prabhas Bajaj has also suggested that we can take 2 senior lawyers including senior advocate Mr. Maninder Singh as well. Total expenditure in this case has been budgeted to

be between 8 to 10 crores. IMA HQs. is keen to engage a senior advocate of repute to argue our case in the Supreme Court.

5. It is in this context that IMA HQs. is writing to you for contribution to our IMA HQs. legal fund. IMA HQs. may not overemphasize the necessity to fight this battle well and together. So, this appeal from IMA HQs. is to all the State Branches to join hands with the efforts of IMA HQs. We require support by way of donation to the legal fund of IMA HQs. Your financial support can be commensurate with your membership strength and financial status.
6. This is one rare occasion that the finances of the Local Branches need to be tapped for the overall common good of the medical profession as well. So, IMA HQs. appeals to all its local branches to donate independently from their resources to strengthen our legal battle.

Swagatam...

Dear all,

We take pride in the fact that Assam has got an opportunity to organize the National Conference of the IMA College of General Practitioners in 2024 (GPCON 2024). IMA CGP is close to the hearts of not only General Practitioners and Family

Physicians of the country, but also many specialty physicians. We believe this 2024 major event of IMA CGP at Guwahati will generate much enthusiasm in both academic and social perspectives.

We will put utmost care in curating an academic programme which will be interesting for specially the General Practitioners and Family Physicians. At the same time we will keep plenty of opportunities for interaction and socialization such that everyone goes back afresh with knowledge and friendships.

Assam for many of us is still an unvisited or scarcely visited place, and this conference will give for the national delegates an opportunity to explore the place. December being an excellent season for visiting the state, delegates may plan for visiting various tourist attractions like the famous National Parks at Kaziranga, Manas, Dibru-Saikhowa and Pobitora, the sacred Kamakhya Temple, the relics of Ahom Kingdom at Sivasagar, and one of the largest riverine islands Majuli, the citadel of Vaishnavite culture. For the more enthusiastic travellers Guwahati is the gateway to visit many of the interesting tourist circuits of the Northeast.

We extend a hearty, warm invitation to the IMA Community of the Country to the GPCON 2024.

We assure all of you, the Assamese hospitality which many of you have probably not experienced, awaits all of you in GPCON 2024 in full bloom.

Swagatam!

QR code for Contribution towards IMA HQ Building Redevelopment Fund

Dear colleague,

As you are well aware that IMA our beloved mother organisation shall be celebrating its centenary year in the year 2028. The legacy of IMA, ever since its inception spread over the last 9 decades has added larger responsibilities on the shoulders in regard to nation building as a whole.

The grandeur that IMA has to its credit needs to be befittingly housed in its new Headquarters Building which would add to its Aura, Lusture and Grandeur in unison. With utmost respect, we humbly reach out to your kind heart, seeking your generous contribution to the noble cause of erecting a new building in place of our beloved, aging structure. The Indian Medical Association, our beacon of healthcare excellence, endeavours to rise anew, and your support in this. initiative holds immense significance. Every heartfelt contribution, resonates with the spirit of progress and the pursuit of a better, brighter future for healthcare. Your benevolence, not only aids in constructing this new Headquarter Building but also bears the gift of income tax exemption under 80G. Let us together embrace this opportunity to lay the foundation of a legacy that embodies the hopes and aspirations of a community dedicated to healing.

We have the honour to appeal to you to donate generously for a noble cause in constructing the new building in the place of the existing one. The donations for this purpose may be sent to Indian Medical Association
