From the President's Pen...

Dear Friends,

Doctors as citizens have opinions, doctors together have influence. In an era of noise, associations must be the calm, credible voice of the medical community.

The voice of Indian Medical Association is much needed to be heard in today's day and age. In situations where doctors are not safe when doing Government jobs, doctors commit suicide due to harassment by police & patient relatives, we have to stand united and present a strong front for demanding justice.

The untimely & tragic deaths of Dr. Sampada Munde and Dr. Chhaya Bora in the last couple of weeks are a rude awakening to the fact that we doctors are valued only in times of need - otherwise we are dispensable and exploited. We must protest on all fora and see to it that justice is served. Joining the campaign with IMA Maharashtra State, IMA Mumbai West has also sent an email to CM Shri Devendra Fadnavis ji asking for prompt and expeditious action to bring the culprits to justice.

IMA Mumbai West continues its activities in full josh. We have had a lot of theme based CMEs in the month gone by. All fantastic topics and excellent speakers. This was topped off at the end of the month by Surgicon 2025 on October 26th, the overwhelming response from the faculty and delegates made it a dream come true for me.

Our Diwali Pahaat program was superbly arranged by Managing Trustee, Dr. Sanjay Dudhat and our Cultural Sub Committee lead by Dr. Rohini Badwe deserves all the accolades.

As we prepare in a big way for our annual scientific conference, we will also be participating actively in IMA Maharashtra State and IMA HQs Conferences - Mastacon 2025 at Solapur and Natcon 2025 at Ahmedabad. IMA Mumbai West branch has done very well by bagging various awards of IMA MS for 2024-2025. We will be proudly accepting them at Mastacon Solapur. I am humbled and overwhelmed to receive the Best Secretary award for large branch for the second consecutive year and I gratefully acknowledge the support and contribution of all my seniors and colleagues in making this happen-my President for 2024-2025 Dr. Ketan Mehta always encouraged and endorsed my work. Dr. Jayesh Lele and Dr. Akil Contractor have always thrown their weight behind all my endeavours and I am very grateful for it.

Friends, please try and encourage more and more of your colleagues to become members of this very active branch of ours - IMA Mumbai West needs the shoulders of as many capable doctors as possible to take it to greater heights.

Jai Hind !

Jai IMA !!

From Hon. Secretary's Desk...

Dear friends,

'Perfection' is the State of being complete and correct every way, the highest degree of proficiency, skill or excellence! Perfection is not attainable but we can work together and hard with integrity towards its accomplishment & grow during this process!

After the stupendous success of 'SURGICON 2025' - our theme based half day CME, and celebration of 'World Mental Health Day' as well as 'World Sight Day' with eminent speakers and their informative talks, preparation are in full swing for our annual conference now.

This year IMA MW annual conference is along with the Maharashtra State and it's going to be Maha- Derma-IMA-CON. It will be hybrid so that large number of delegates across the state can join simultaneously. It is theme based 'Dermatology'- one of the fastest advancing field of medicine is the theme.

Galaxy of speakers from various reputed institutes, as well as private practitioners will enlighten the delegates with latest knowledge and techniques. Trade exhibition, culinary feast and great academic discussions are also the added attractions and are eagerly awaited.

"Deepawali Swarprabhat" was our memorable Diwali Celebration this year too! Marking the beginning of festival of lights it was celebrated with great joy, enthusiasm with all the members coming together with family and friends.

Tireless efforts of our Managing Trustee Dr. Sanjay Dudhat, and the chairperson of Cultural subcommittee Dr. Rohini Badwe deserve all the praises.

We will attend our Maharashtra state conference at Solapur this year in large

number. It is a proud feeling as a secretary of IMA MUMBAI WEST, that our branch bagged Four awards in various categories. The credit for this achievement goes to the exemplary dedication and guidance of our Trustee Dr. Jayesh Lele, hard work of our dynamic president Dr. Rashmi Mehta, our trustees, office bearers.... each one strives hard unitedly for the progress of our branch.

We have our National conference 'NATCON' in Ahmedabad this year, and we are sure, our branch will shine there too!

'Unity is strength'! People are stronger together than they are individually. We all know group working in solidarity can overcome any challenge. When people combine their efforts, their strength multiplies allowing them to achieve extraordinary results that would be impossible alone. More and more members should join IMA, work in the interest of the medical fraternity and it's member's welfare. This is the only way we can help each other and fight injustice. The recent incidents affecting the doctor members have once again proved it!

Let us come together for better future of Members, patients and our society.

Long live IMA

JAI HIND

In Memoriam

DR. BAKULESH S. MEHTA

27.11.1944 - 01.11.2025

Gentle Giant...Bhishma Pitamah....

These are some of the words that have been used to describe Dr Bakulesh S Mehta, stalwart leader of IMA Mumbai West who passed away suddenly on 1st November.

Son of Past President IMA Mumbai West, late Dr Shantilal Mehta and husband of Past President IMA Mumbai West, late Dr Alka B. Mehta, Dr Bakulesh S Mehta was a Past President himself and past Managing Trustee of the branch. He has held various posts at the branch over the years and served it in his inimitable way. Past President of IMA Maharashtra State in 2009 - 2010, he was known for his always-helpful nature and steadfast dedication to the medical community, earning widespread respect and admiration. A strong pillar within the Indian Medical Association fraternity, he was ever-present at HQs events, and his guidance and support were deeply valued.

Dr Bakulesh S Mehta was a Past President & Trustee of Andheri Medical Association and Past President of General Practitioners Association also. But it was his commitment and passion for helping the inmates of his beloved Cheshire Home in Mumbai that comes first to mind.

What everyone recalls is his unwavering commitment to helping fellow members and juniors secure positions and recognition within the IMA. He always had a story or memory to share at every meeting whether at the HQ or state level and each one came with insight or a lesson. His ever present attendance at branch events be they scientific, administrative, or cultural felt like a comforting umbrella under which we could all find shelter.

His efforts to foster cohesion among physicians and promote the cause of medical ethics will forever be cherished.

This kind-hearted GP and devoted IMA stalwart will forever remain in our hearts. In the halls of IMA Mumbai West, we mourn the loss of a mentor, guide, teacher, and friend our supporting pillar has fallen. May his soul find eternal peace and moksha.

SURGICON 2025

REPORT : SURGICON 2025

SURGICON 2025 was an earnest desire for me from the day I became President of the branch. I am grateful that it became a reality on 26th October, 2025. We had an excellent array of superb talks on a wide spectrum of surgical problems by eminent surgeons from all over the city.

- The opening batsman (woman) was Dr. Smruti Ghetla, HOD department of Surgery at Cooper Hospital. She gave an overview of Diabetic Foot management and enlightened the audience about the latest advances in this field.
- Dr Manmohan Kamat, HOD, Surgery at Nanavati hospital next gave an interesting talk on Robotic surgery for the thyroid and the technique seen on video left the audience spellbound.
- Dr Manoj Jain, Bariatric and Robotic surgery head at Nanavati Hospital enunciated why Robotic surgery is the new paradigm for many surgical procedures.
- In this Breast cancer awareness month of October, Radiologist, HOD BARC, Dr Surita Kantharia took us through Guidelines for Breast examination and role of Mammography in Breast Cancer diagnosis in a simple and lucid manner.
- Dr Geeta Ghag, Professor of Surgery from Cooper Hospital, delivered a very comprehensive lecture on Stoma creation and it's management, practical tips on troubleshooting of problems seen by Family Physicians in their clinics.
- Our Convenor for the conference, Dr Chetan Kantharia, HOD, Surgical Gastroenterology, KEM hospital, gave an excellent talk on Cholecystectomy that cleared many concepts and clarified techniques for managing situations of bile duct injuries.
- Eminent Colorectal surgeon Dr Niranjan Agarwal from Bombay Hospital took us through Minimal Invasive Proctology. While describing the various proctological procedures that can be done with newer and less invasive techniques, he stressed and emphasized that one should not get carried away by frivolous and misleading representations of their mythical benefits. All new procedures have to be compared to the standard of care and have to provide equivalent results.
- Dr. Prajesh Bhuta, Consultant Colorectal surgeon at Jaslok, Breach Candy and P. D. Hinduja (Khar) hospitals, next spoke on Medical & Surgical management of constipation. Obstructive Defaecatory syndrome and its treatment modalities were discussed by him in detail.
- We had a talk by Dr. Praveen Gore from Bhatia and Breach Candy hospitals on enhanced recovery mechanisms after Anorectal surgeries. Some of the points elucidated by him were eye opening and his talk had many take home messages.
- Hernia surgery is the cornerstone of any surgeon's armamentarium. Our last speaker Dr Aparna Deshpande explained about various newer techniques in hernia repair and management and presented some interesting videos on various hernia repair procedures.

We had eminent surgeons as chairpersons for each talk and it was heartwarming to see the camaraderie between surgeon colleagues.

The MOCs for the day were our AMS team of Chairman, Dr Kinjal Modi and Hon. Secretary, Dr Bhavika Hotchandani. They conducted the conference with a twist and made it very riveting.

Our delegates turned out in large numbers. 118 members attended. Quiz answers were announced and lucky draw prizes were given.

I thank each and every one who made the conference a resounding success.

SURGICON 2025

SURGICON 2025

SURGICON 2025

REPORT : DEEPAWALI SWARPRABHAT

Diwali or Deepavali : the victory of light over darkness, good over evil and knowledge over ignorance. It is a festival of joy, bright colours, rangolis, kandeels - glowing lights and diyas and the warmth of family and friends, wearing new or festive clothes, sharing sweets and gifts, feasts, visiting relatives, and enjoying music and fireworks.

Diwali Pahaat at IMA Mumbai West is a cultural celebration of the auspicious occasion. A gathering to revel in the music, the lights, the brightness and the camaraderie.

It was celebrated this year on the morning of 19th October. Very well orchestrated by Managing Trustee Dr. Sanjay Dudhat, we had soulful musical performances by playback singers and performers Sampada Mane, Nachiket Desai, Prashant Lalit and their troupe.

The morning began with a beautiful recital on flute and tabla by renowned Oncosurgeons Dr. Prashant Mullerpattan and Dr Sanjay Dudhat. Traditional lamp lighting was followed by the musical performances in Hindi, Marathi and Gujarati. The audience matched the enthusiasm of the performers beat by beat and taal by taal.

The program came to an end 2 hours later with our members saying "Ye dil maange more". Prizes were given for the best dressed members, lucky draw gifts were distributed. The morning concluded with lip smacking Diwali ' faral ' for all.

We are grateful to the almighty for making this happen. A big thank you to all the Trustees, Office bearers, Managing committee members and our branch members for turning up in their finest to celebrate brightness and prosperity. Our staff deserves all the praise for arranging everything to perfection.

Happy Diwali to all.

REPORT : WORLD SIGHT DAY

World Sight Day takes place on the second Thursday in October, and this year it was on Thursday, 16th October 2025. This year's theme was 'Love your eyes'.

IMA Mumbai West observed 'World Sight Day' by organising a CME on the occasion. There were 3 very insightful and informative talks on Ophthalmology.

1. Dr Maneck Nicholson talked about Cataract Surgery and what is the right IOL
2. Dr Sayali Karande talked of early detection and treatment of Diabetic Retinopathy
3. Dr Jenil Sheth enlightened the audience about common Paediatric eye problems such as Squint, Allergy & Myopia.

There was a very useful interactive question & answer session and our 82 members who attended benefitted with many take home messages.

REPORT : WORLD MENTAL HEALTH DAY

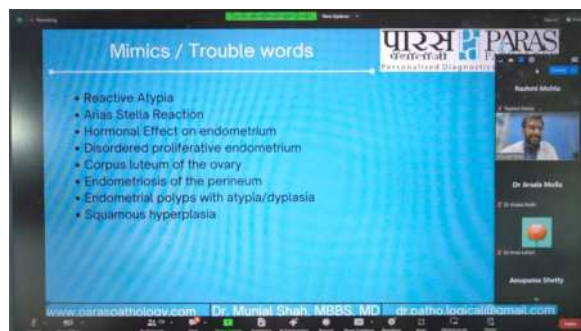

World Mental Health Day is celebrated on the 10th of October every year to create awareness about mental health and to include more patients in the main stream for treatment. At IMA Mumbai West, we celebrated World Mental Health Day on 9th October by hosting an innovative CME on Sleep. Sleep is very essential for robust mental health we had three excellent Psychiatrists to deliver informative talks on Neurobiology of Sleep by Dr Jay Shastri, Pharmacological interventions for insomnia by Dr Prajakta Patkar and non Pharmacological interventions for insomnia by Dr Kartik Rao.

118 delegates availed benefits in this fantastic CME. The meeting concluded with a lucky draw and Vote of Thanks.

REPORT HPV VACCINATION TRAINING PROGRAM

MA Mumbai West hosted the IMA HQs & FOGSI **Webinar on HPV Vaccine Training on 28th October, 2025**. The meeting was blessed by the presence of NP IMA HQs Dr Dilip Bhanushali and Dr Priya Ganesh Kumar, National Convenor for HPV vaccination. We also had the presence of National VP Dr. Hozie Kapadia and past HSG Dr Jayesh Lele gracing the program.

The speaker/ trainer from FOGSI was Dr Bhagyalaxmi Nayak, Vice President Elect FOGSI. She took the delegates through the training for HPV vaccination and guided delegates so that they could take the pre and post training surveys correctly.

Next we had 2 related talks - one by Consultant Pathologist Dr Munjal Shah on Screening for Gynaecological Cancers and by Medical Oncologist Dr Shreya Gattani on HPV driven Cervical Cancer.

208 delegates attended the session. There was an interactive discussion cleared any doubts that the attendees had

We are grateful to IMA HQ & FOGSI for the support, guidance and help in conducting the webinar. Dr Sneha Bhuyar, Convenor HPV vaccination, IMA Maharashtra State guided us well
