From the

PRESIDENT'S PEN...

Dear respected Members & esteemed Colleagues,

As we welcome the month of September 2026, I extend my warmest greetings to every member of our esteemed IMA family.

Every new month brings with it a fresh opportunity - to reflect on the journey travelled, to celebrate our achievements, to learn from our experiences, and above all, to move forward together with renewed enthusiasm and commitment.

At the outset, let us all congratulate Dr. Jayesh Lele on being elected unopposed as IMA National President for the year 2027-2028. A well deserved recognition of a committed & fearless leader with vast experience, fighting spirit & a sharp legal mind. Our best wishes dear Dr. Jayesh Lele Sir, for a successful & impactful tenure....!

The true strength of an association does not lie merely in the number of programs it conducts, but in the spirit of unity, friendship, academic excellence and service that binds its members together. It is this collective spirit that transforms an organisation into a family and a gathering of professionals into a powerful force for society.

"अकेले तो हम एक-एक हैं,
मिल जाएँ तो कारवाँ बन जाते हैं,
छोटे-छोटे कदमों से ही सही,
मिलकर चलें तो इतिहास बन जाते हैं।

Yet another eventful month comes to an end, every activity organised under the banner of IMA MW has reaffirmed our commitment to professional excellence, social responsibility & compassionate healthcare. This month witnessed a series of meaningful academic, CME sessions, community outreach activities, Public Health & Welfare Programs, Independence Day Celebrations, Cultural events & many more.

1. We had an excellent Rheumacon - Advancing care in Rheumatology on Sunday, 2nd August 2026, arranged by our dynamic Treasurer cum Convenor Dr. Shalin Soni. The conference had a power packed auditorium with a registration of 165 delegates.
2. The same afternoon, our Movie Club screened a block buster movie - Raja Shivaji starring Ritesh Deshmukh, Sanjay Dutt, Abhishek Bachchan & many more.
3. Sunday, 9th August 2026 - yet another symposium on CKM Syndrome, arranged by none other than Prof. Dr. Ketan K Mehta
4. Same day, IMA MW also hosted 2nd State Executive Meeting of IMA MS under the able guidance of Dr. Jayesh Lele.
5. Independence Day Celebrations with full Josh & Patriotism with Flag Hoisting Ceremony - at its best on Saturday, 15th August.
6. Immediately after Flag Hoisting Ceremony, there was an Additional General Body Meeting to present & pass Hon. Treasurer's report, which was aptly done by Dr. Shalin Soni
7. Sunday, 30.08.2026. IMA - HQ in association with IMA MW organised a Digital Health Masterclass focusing on growing importance of digital health in modern healthcare practice. Dr. Narendra

Saini, Convenor, Digital Health, IMA & Dr. Prashant Kelkar, NABH were the conference facilities. The event was attended by 75 delegates & supported by Koita Foundation.

8. Same afternoon, our Movie Club screened a thriller Do Patti starring Kajol & Kriti Sanon in double role.

9. **Affiliated Events**:

a. Dimensions in Diabetes on 01.08.2026 & 02.08.2026 at Hotel Fairmont conducted by Endocrine Society in association with MediQuest.

b. Sunday, 23.08.2026 A conference on Bioactive Power of the Palm organised by Malaysian Palm Oil Council in association with IMA MW at Hotel The Leela arranged by Prof. Dr. Ketan K Mehta.

c. IMA MW with MOC organised Annual Oncology update OncoEdge 360, on Sunday, 30.08.2026 at Hotel Ginger, Vile Parle(E).

d. Few more webinars.

Our forthcoming Programs:

- Sunday, 13th September 2026 will be having yet another ENTCON -2026 after last two successful ENTCONs in 2022 & 2024. Our Movie Club will again be active with more entertainment for you all.
- Apart from our regular CMEs on Thursdays, we'll be having couple of webinars arranged by none other than Prof. Dr. Ketan K Mehta.
- Sunday, 27th September will be a day for yet another IMA affiliated event, Dil Maange More organised by eminent diabetologist Dr. Rajiv Kovil at Hotel Aurika...

  Sunday, 11th October will be Ophthalcon, arranged by Dr. Kumar Doctor.
- Sunday, 18th October will be Cardiology Conclave organised by one & only Dr. G. P. Ratnaparkhi.
- September also reminds us of the importance of learning, gratitude and acknowledging those who have shaped our journey. As we celebrate the spirit of Teachers' Day, we express our heartfelt respect to all our teachers, mentors and seniors who have illuminated our professional paths with their knowledge, wisdom and experience.

  We're celebrating Teacher's Day on Sunday, 6th September, a day to bow before our Gurus, mentors & teachers who have shaped our lives.

Same day, we are also celebrating the Medical Students Scholarship Ceremony, an occasion where we extend a helping hand to deserving young students and tell them:

"We believe in you. We believe in your dreams. And we want to be a part of your journey."

As I look at our respected teachers on one side and our young medical students on the other, I am reminded of a beautiful thought:

"गुरु ज्ञान की ज्योति हैं,
विद्यार्थी उस ज्योति की किरण;
एक सिखाता है उड़ना,
दूसरा छूता है अपना गगन।"

There is a beautiful shayari:

"किताबों से जो ज्ञान मिला, वो अधूरा था,
गुरु ने जो समझाया, वही पूरा था।
इल्म तो बहुतों ने दिया हमें,
पर इंसान बनना गुरु ने सिखाया।"

A scholarship is therefore not just financial assistance,

It is a message of confidence.

Which says:

"Your talent should not stop because of financial limitations."

"Your dreams deserve an opportunity." And perhaps Society is standing behind you.

So students,

Accept this scholarship not merely as financial support, but as a responsibility.

You have been given an opportunity.

Study sincerely.

And when you become successful, remember the person who helped you when you needed it & reciprocate the same to next generation.

That will be your greatest Guru Dakshina to society.

At this juncture, I admire the herculean task of selecting deserving students for scholarship, i.e. Dr. Sanjay Dudhat & his team

And we are celebrating a beautiful bond between Guru, Shishya and Society.

Now something about my teacher's day felicities. Words are not enough to describe them.

Our felicities are two surgeons & two physicians. One an eminent state of the art ENT surgeon Dr. Hetal Marfatia Patel & other is a renowned General Surgeon par excellence Dr. Abhay Dalvi.

Prof. Dr. Agam Vora, a consultant Chest Physician....

Prof. Dr. Ketan Kishor Mehta, a consultant Physician, Cardio- Pulmonologist, Diabetologist & above all a dearest friend, close to my heart, a friend, philosopher & guide in the real spirit of life.

He is now the Organising Secretary of our forthcoming National IMA conference under the leadership of Dr. Jayesh Lele as Organising Chairman & Incoming National President 2027-2028 along with Dr. Agam Vora, Dr. Shashank Joshi & Dr. G.P. Ratnaparkhi as Convenors of NATCON - 2026.

I sincerely appreciate the dedication of our office bearers, committee members and every colleague who contributes, often silently, towards making our activities successful. Behind every successful event lies teamwork, planning and the willingness of individuals to go beyond their routine responsibility.

Let us therefore enter September with renewed optimism. Let us continue to learn, serve, inspire and support one another. Let us ensure that IMA remains not only a strong professional organisation but also a vibrant family where every member feels valued, respected and connected.

चलो फिर से एक नया सफर शुरू करें,

रिश्तों में विश्वास और सपनों में रंग भरें।

मंज़िल चाहे कितनी भी दूर क्यों न हो,

हम साथ चलें तो हर रास्ता आसान करें।"

I invite every member to participate actively in our forthcoming academic, social and cultural activities. Your presence, participation and suggestions are the true driving force behind the progress of our association.

With unity in our hearts, service in our hands & excellence as our mission, let us work together to take our beloved IMA MW to greater heights.

Together, we can achieve more.

Together, we can inspire more.

Together, we can serve humanity better.

Let us make the coming months even more memorable, meaningful and magnificent!

With warm regards and best wishes for a meaningful & successful September,

Jai Hind!

Long Live IMA!
